

**CITY OF FORT SCOTT
CITY COMMISSION MEETING**

Minutes of November 15th, 2022

Regular Meeting

The regular meeting of the Fort Scott City Commission was held November 15th, 2022 at 6:00 p.m. in the City Commission Meeting Room at City Hall, 123 S. Main Street, Fort Scott, Kansas.

ROLL CALL:

Commissioners J. Jones, T. Van Hoecke, and M. Wells were present with Mayor K. Harrington.

INVOCATION: M. Wells, said a prayer asking God for guidance for the City, our Government and City officials.

AUDIENCE IN ATTENDANCE: Jeff Hancock, Interim City Manager, Brad Matkin, Assistant City Manager, Emily Diebolt, Ben Hart, Robert Farmer, Robert Uhler, Nick McCormick, Travis Shelton, Cindy Bartlesmeyer, Dave Bruner, Edwin Woellhof, Jason Dickman, Bill Michaud, Ryan Irsik, Jon Garrison, Anne Dare, Heather Magruder, Steve Mason, Sheri Laws, Bailey Lyons, Nate Lyons and 3 children.

J. Jones motioned appointing Brad Matkin as Deputy City Clerk for this meeting for the purpose of swearing in the new City Commissioner. T. VanHoecke seconded. All voted aye.

APPROVED TO APPOINT BRAD MATKIN AS DEPUTY CITY CLERK FOR THIS MEETING FOR THE PURPOSE OF SWEARING IN THE NEW CITY COMMISSIONER.

APPOINTMENT OF NEW CITY COMMISSIONER: The City Commissioner candidates were called in the order of the agenda: Robert Uhler, Bill Michaud, Cindy Bartelsmeyer, and Edwin Woellhof. Each introduced themselves and answered questions from Brad Matkin, Assistant City Manager, and City Commissioners J. Jones, M. Wells, T. VanHoecke and Mayor K. Harrington.

T. VanHoecke motioned to nominate Robert Uhler for the vacant position of City Commissioner. No second. Motion died.

M. Wells motioned to nominate Edwin Woellhof for the vacant position of City Commissioner. No second. Motion died.

J. Jones motioned nominating Bill Michaud for the vacant position of City Commissioner. No second. Motion died.

K. Harrington motioned to nominate Cindy Bartlesmeyer for the vacant position of City Commissioner. No second. Motion died.

Discussion was held amongst the Commissioners regarding the candidates.

It was decided that each Commissioner would state their second choice.

J. Jones stated that Edwin Woellhof was his second choice. T. VanHoecke stated that Cindy Bartelsmeyer was his second choice. M. Wells stated that Bill Michaud was his second choice. K. Harrington stated that Edwin Woellhof was her second choice.

M. Wells motioned to appoint Edwin Woellhof as the new City Commissioner. Further discussion was held amongst the Commissioners regarding the candidates. J. Jones seconded the motion. M. Wells and J. Jones voted aye. T. VanHoecke and K. Harrington voted nay. Motion fails to pass.

J. Jones motioned to appoint Bill Michaud as the new City Commissioner. M. Wells seconded. M. Wells and J. Jones voted aye. T. VanHoecke and K. Harrington voted nay. Motion failed to pass.

K. Harrington motioned to appoint Cindy Bartelsmeyer as the new City Commissioner. No second. Motion died.

T. VanHoecke motioned to appoint Robert Uhler as the new City Commissioner. No second. Motion died.

T. VanHoecke motioned to appoint Cindy Bartelsmeyer as the new City Commissioner. K. Harrington seconded. T. VanHoecke and K. Harrington voted aye. M. Wells and J. Jones voted nay. Motion failed to pass.

Cindy Bartlesmeyer addressed the Commission and withdrew her name as a candidate for City Commissioner.

M. Wells motioned to appoint Edwin Woellhof as the new City Commissioner. J. Jones seconded. J. Jones, M. Wells and K. Harrington voted aye. T. VanHoecke voted nay.

APPROVED TO APPOINT EDWIN WOELLHOF AS THE NEW CITY COMMISSIONER.

Brad Matkin was called forward by Mayor Harrington to swear in Edwin Woellhof with an Oath of Office.

J. Jones addressed the Mayor to consider a change in the agenda. He asked that Bailey Lyons be moved forward. Mayor Harrington agreed.

Bailey Lyons addressed the City Commission regarding the Splash Pad. She thanked all the volunteers involved to make the Splash Pad a reality for the community. B. Lyons also gave an update of the funds raised, to date a total of 75% of what is needed to complete the project. She also recognized the sizeable grants awarded; \$75,000.00 from the Timken Foundation and \$40,000.00 from the Walmart Foundation. She said the plan is to break ground in the Spring of 2023 and open it to the public in the Summer. (Complete address to the City Commissioners is attached).

Steve Mason, Timken Foundation and Ryan Irsik, Walmart Public Affairs and Good Relations addressed the Commission and presented their checks. M. Wells expressed his gratitude on behalf of the Commission for their investment in the community of Fort Scott.

Bailey Lyons asked that the Commission allow the project to move forward and allow the Splash Pad to be located on the west end of Skubitz Plaza.

T. VanHoecke stated that he would like to have time to review the packets that Bailey Lyons provided and asked if she would be able to return to the next Commission meeting if there were any questions.

Bailey Lyons stated that she was asking the City Commission to allow the project to move forward due to timelines they are required to meet for the grants and orders for materials that need to be placed to break ground by Spring of 2023 and open to the public by Summer 2023.

T. VanHoecke stated that he would first like to review the information provided.

J. Hancock suggested that Bailey Lyons and their company meet with Assistant City Manager Brad Matkin and staff and go over details and ask questions with the input of City staff.

J. Jones stated that the project was designed for minimal City man hours and was vetted out by the Fort which was the main concern due to the proposed location. He also stated that the area had a strategic plan for a water feature.

J. Hancock stated that he would direct the City staff to review the information, prepare a report for the next City Commission meeting and will proceed from there.

Bailey Lyons stated that any further contributions can be made by contacting her, Josh Jones, or Kelly Barr. She then outlined the present and future plans to secure the remaining funds and talked about the benefits of bringing this to the community.

J. Jones and M. Wells thanked and complimented Bailey Lyons and the project group for all that they have done to make this project happen, especially ahead of the previously discussed timeline of 2024 or 2025.

CONSENT AGENDA:

- A. Approval of minutes of the regular meeting of November 1st , 2022 and minutes of the special meeting of November 7th, 2022.
- B. Approval of Appropriation Ordinance 1324-A totaling \$603,259.05.
- C. Request to Pay – J. Richardson Construction - \$54,210.27 – 17th and Eddy Stormwater Improvements

D. Request to Pay – HDR Engineering, Inc. - \$14,294.96 – Phase II Dam Improvements – Engineering

E. Request to Pay – Earle’s Engineering & Inspection, Inc. - \$37,622.15 – work performed during October

M. Wells moved to approve the Consent Agenda. J. Jones seconded. All voted aye.

APPROVED CONSENT AGENDA.

Old Business:

1. Change Order #1 – L.G. Barcus and Sons, Inc. - \$19,466.03 – Review itemized bill.

Nick McCormick from L.G. Barcus and Sons, Inc. addressed the Commission regarding the itemized bill. He stated that it was an Engineer directed Change Order for the Fort Scott Dam Project. He stated he was not sure where the breakdown in communication was, but he was there to provide answers.

M. Wells stated that the biggest issue was that the project was done and a month later it was brought back to the Commission to approve as a Change Order. He also stated that anything over \$10,000.00 must come before the Commission before the work is done. He stated that the original information was vague and did not provide any of the information they see here today, which is what he wanted to see.

Discussion was had about the extra 15% fee added to the bill. M. Wells stated that within the construction industry the overhead and profit is a line that the majority add independent of the profit as a second profit.

Mr. McCormick stated that the company did not do the work without any direction. He stated that the pricing was submitted to HDR, the engineer of record, prior to L.G. Barcus doing the work and HDR gave the permission to do the work. He stated that possibly there was a disconnect between HDR and the City.

J. Jones requested that Mr. McCormick turn over the correspondence he brought to J. Hancock or Brad Matkin for review.

M. Wells motioned to approve the request to pay L.G. Barcus and Sons, Inc. \$19,466.03. K. Harrington seconded. All voted aye.

APPROVED THE REQUEST TO PAY L.G. BARCUS AND SONS, INC. THE AMOUNT OF \$19,466.03.

Appearances: Ben Hart of BakerTilly addressed the Commission providing October Financial Statements and Status of Engagement. He brought two (2) reports. He stated the first report is the standard report that they typically receive, and the second report contains charts and graphs. It gives an idea of where the cash balance will sit in each one of the funds. Mr. Hart continued through the report and explained to the Commissioners what they can expect to receive from BakerTilly as a standard report. He discussed what he has observed in the reports with revenue. Mr. Hart stated that the next thing he will be working through is the budget and providing more detail at the next City Commission meeting regarding budget amendments for 2022.

Discussion was had on cash flow, policies and the Capital plan which will be addressed in future. The Commission gave their feedback on what would be helpful to them.

M. Wells asked Mr. Hart about the cash balance carried over at the end of the year. Mr. Hart stated that he would be surprised if it was not positive in the six figure numbers in the general fund.

Further discussion was had on the existing funds and their possible amendments due to price increases from inflation, which Mr. Hart stated is not surprising.

Public Hearings: M. Wells made a motion to open the Public Hearing at 7:35 p.m. J. Jones seconded. All voted aye.

APPROVED TO OPEN PUBLIC HEARINGS AT 7:35 P.M.

Financial Assistance and Pre-Application with U.S. Department of Agriculture and Rural Development to Repair and/or Replace Two (2) Storm Sirens – Presented by Fire Chief Dave Bruner and Emily Diebolt.

Chief Bruner stated that they have gone through the pre-application process of the grant and are moving to the application process regarding the storm sirens that were discussed on July 19th. The grant will be used to replace two (2) storm sirens that are not operable, one in Walnut Hill and the other at 6th and Steen.

The only change is that the cost to the City was roughly \$23,000.00 and is now \$27,000.00. Chief Bruner stated that the reason for the change was due to choosing a solar option that would take the current electric metered/battery backup out of the equation and the system would be solar operated with a battery backup. He stated that the biggest maintenance cost to the sirens are batteries. Chief Bruner highlighted the benefits of the solar option for the Commissioners.

T. VanHoecke asked if both sirens were being replaced or if one was to be repaired and the other replaced.

D. Bruner stated he was told that the siren on Steen Street was not repairable by one company. Another company stated that it could be repaired temporarily but there are many components that are damaged, so it was a better plan to replace that siren. Therefore, both sirens would be completely replaced now.

Mayor Harrington asked for any comments from the audience. There were none.

J. Jones motioned to close the Public Hearing. M. Wells seconded. All voted aye.

APPROVED TO CLOSE THE PUBLIC HEARING AT 7:40 P.M.

M. Wells motioned to move forward with the grant process to obtain two (2) new sirens with the cost increasing from approximately \$23,000.00 to \$27,000.00 for the solar options and a Resolution of Procurement to be signed. J. Jones seconded. All voted aye.

APPROVED TO MOVE FORWARD WITH THE GRANT PROCESS TO OBTAIN TWO (2) NEW SIRENS WITH THE COST INCREASING FROM APPROXIMATELY \$23,000.00 TO \$27,000.00 FOR THE SOLAR OPTIONS.

New Business:

1. Consideration of Special Assessment Waiver for Fort Scott Manor requested by Shane Lamb presented by Sgt. W. Downey

Sgt. Downey stated that he presented the Commission a staff request for Commission action including documentation to be considered. He said that Mr. Lamb was there as the new owner of the old Fort Scott Manor on Heylman. He stated that the property has approximately \$35,000.00 in back taxes of that \$7,483.00 are Special Assessment Fees. Mr. Lamb had applied and asked the Commission to waive those fees. Sgt. Downey asked the Commission to consider that these fees are rarely recouped and that it is a substantial amount that Mr. Lamb is asking to waive and is far beyond what Sgt. Downey or B. Matkin can waive without Commission approval.

T. VanHoecke stated that he remembers this coming up a while back and they had questioned timeline because there have been several buildings in Fort Scott that had their assessment fees waived and then sat idle for extended periods of time. He stated that the Commission had asked for a timeline in a previous meeting.

Sgt. Downey stated that a little bit of work had been completed. However, the Codes office was unawares of this because the property owner had bypassed the Codes Department and worked with the previous City Manager, Kelley Zellner who has since separated from the City. Mr. Lamb came to City Hall again and that is when the Codes Department became aware of the situation. Sgt. Downey continued that Assistant City Manager, Brad Matkin, the Codes Department, Fire Chief Bruner, and Assistant Fire Chief Miles met with Mr. Lamb and discussed what needed to be done to properly obtain building permits for his project. Sgt. Downey stated that issuing the permits is dependent upon Mr. Lamb obtaining certified prints from the architect, then having those presented to the State Fire Marshall for approval. Once we have those from the Fire Marshall's office, we can issue the building permits.

T. VanHoecke stated that until all of that happens and a timeline is established, he cannot, in blind faith, waive the assessments.

Sgt. Downey pointed out that Mr. Lamb has a project in Iola with similar circumstances.

Mr. Lamb addressed the Commission. J. Jones asked Mr. Lamb if there was any reason to rush this decision. Mr. Lamb gave his account of the events that happened and stated that all cities are different in what they require. He stated that the biggest obstacle will be trying to complete these requirements quickly, especially an architect.

J. Jones stated he was concerned that Mr. Lamb would be held up paying his taxes if the assessment was not waived now.

Further discussion was held regarding options for Mr. Lamb's situation.

J. Jones motioned to table the decision to waive the special assessment fees until Mr. Lamb returns with plans. T. VanHoecke seconded. All voted aye.

APPROVED TO TABLE THE DECISION TO WAIVE THE SPECIAL ASSESSMENT FEES UNTIL MR. LAMB RETURNS WITH PLANS.

2. Consideration of Amendment of Boat License Ordinance 3054

M. Wells explained that the amendment to the Ordinance will help the Lake Patrol identify boats without permits by requiring that the permit sticker be placed on the outside of the boat on the starboard side.

M. Wells motioned to approve the Amendment of Boat License Ordinance 3054. J. Jones seconded. All voted aye.

APPROVED TO THE AMENDMENT OF BOAT LICENSE ORDINANCE 3054.

3. Consideration for Approval of Auction of Seized Vehicles Awarded to Fort Scott Police Department presented by Police Chief Travis Shelton

Chief Shelton stated that the FSPD is currently in possession of seven (7) vehicles which were seized from criminal investigations and have gone through the asset forfeiture process and have been awarded to the FSPD. He stated that he is asking for the Commission's approval to use local auctioneer Lance Anderson who lists the vehicles online.

T. VanHoecke motioned to accept Chief Shelton's recommendation to use auctioneer Lance Anderson to list the awarded vehicles on www.auctiontime.com. M. Wells seconded. All voted aye.

Chief Shelton then addressed the Commission with the recognition of Detective Sergeant Brian Thurston who will be retiring at the end of the month after 15 years of service. The Retirement Party will be at the station on November 29th, from 2PM-4PM.

M. Wells thanked Sgt. Thurston for his dedication and years of service on behalf of the City Commission and the community of Fort Scott.

J. Jones motioned that the City Commission recess into Executive Session for the purpose of non-elected personnel pursuant to the matters of non-elected personnel exception to KS 7543-19(b)(1) with the five (5) Commissioners and the City Attorney. The meeting will resume in the City Commission Room at 8:02 P.M. M. Wells seconded. All voted aye.

APPROVED TO RECESS INTO EXECUTIVE SESSION FOR THE PURPOSE OF NON-ELECTED PERSONNEL PURSUANT TO THE MATTERS OF NON-ELECTED PERSONNEL EXCEPTION TO KS 7543-19(B)(1) WITH THE FIVE (5) COMMISSIONERS AND THE CITY ATTORNEY. THE MEETING WILL RESUME IN THE CITY COMMISSION ROOM AT 8:02 P.M.

T. VanHoecke motioned to come out of Executive Session. K. Harrington seconded. T. VanHoecke, E. Woellhof and K. Harrington voted aye.

APPROVED TO COME OUT OF EXECUTIVE SESSION

J. Jones motioned that the City Commission recess into Executive Session for the purpose of the discussion of the financial affairs or trade secrets of corporations, partnerships, trusts, and individual proprietorships exception K.S.A. 75-4319(b)(4) with the five (5) Commissioners, City Attorney, Brad Matkin, Jeff Hancock, and Travis Shelton to resume in the City Commission Room at 8:12 P.M. M. Wells seconded. All voted aye.

APPROVED THAT THE CITY COMMISSION RECESS INTO EXECUTIVE SESSION FOR THE PURPOSE OF THE DISCUSSION OF THE FINANCIAL AFFAIRS OR TRADE SECRETS OF CORPORATIONS, PARTNERSHIPS, TRUSTS, AND INDIVIDUAL PROPRIETORSHIPS EXCEPTION K.S.A. 75-4319(B)(4) WITH THE FIVE (5) COMMISSIONERS, CITY ATTORNEY, BRAD MATKIN, JEFF HANCOCK, AND TRAVIS SHELTON TO RESUME IN THE CITY COMMISSION ROOM AT 8:12 P.M.

M. Wells motioned to come out of Executive Session. J. Jones seconded. All voted aye.

APPROVED TO COME OUT OF EXECUTIVE SESSION

4. Consideration of Interim City Manager Position

J. Jones suggested to stay Status Quo. He stated that the Commission had agreed last time to continue to negotiate the contract with Interim City Manager Jeff Hancock. It is anticipated to be completed by the next Commission meeting.

Reports and Comments:

A. Interim City Manager Comments:

1. City/County Commission Meeting on November 22, 2022. Any items that Commissioners wish to have on the agenda need to be submitted by November 16th.
2. To make the Commission meetings more efficient, department directors please use a cover letter to include in the agenda packet.
3. Consideration of Work Session on the position of City Manager. I have outlined two (2) approaches to move forward.
4. Information on coaching for each Commissioner.

B. Assistant City Manager Comments: None

C. Engineering Comments:

1. Southwest Industrial Park Water Line is still at the state under review
2. Closer to preliminary plans with CDBG sewer project, hopefully by the end of the month, as well as Horton and 6th Street.
3. 17th and Eddy had a conflict with Kansas Gas line, it still has not moved, hopefully hear back from them by the end of the week.
4. Contractors moved to 15th and National but waiting on ATT to move a phone line.
5. Wastewater Treatment Plant – AMS is ongoing with their trailers and microbes, and aeration contract.
6. Materials for the baffle curtain are four (4) weeks out to have that made, measurements have been taken.
7. Aeration equipment is being manufactured, the pad for the blower has been poured
8. AMS trailers are active so should not move but will talk to Scott about access points once they start bringing in the aeration equipment.
9. Aeration and baffle curtain design memo, the state requested to do that work. It has been submitted, waiting for comments if any.
10. Memorial Hall steps, putting together a bid package and get advertised
11. Reminder about KDOT C-CLIP Award an FY24 project. If you need help let me know. Will be due to submit the middle of March. Bids need to be solicited.

M. Wells asked about the status of tracking down the Water-Sewer Master Plan.

D. Commissioners Reports and Comments:

T. Van Hoecke – Commented on the smoking on Main Street statue issue and rumors on social media, the Street Advisory Board meeting on the truck route and truck route survey concerns and thank Janet Guilfoyle for her years and enjoy her retirement, fundraiser at Pizza Republic and thanked the Commission candidates.

J. Jones – Thanked Janet Guilfoyle for years of service and wished her well in her retirement. Give direction to Travis Shelton to work with Jerry

Morgan and the school district to put back the school flashing signs on National Street, hope Memorial Hall steps can be in the works soon, thank you to Bailey Lyons for the Splash Pad

E. Woellhof – Thanked the Commission on appointing him

M. Wells – Meeting with Bob Farmer and Charles Gentry to review the truck route ordinance language issues discussed at the Street Advisory Board meeting, Street Advisory Board agreed with the SSMP list for next year, asked about the status of the alley list (Brad Matkin will get an update), congratulated the guys for getting the Emulsion Tanks thanks to the Street crew, Lake Advisory Board would like to move forward with the water line and electric line to the RV slots and primitive camping, asked Brad Matkin to check on the rock saw prices, ask BakerTilly for the numbers on projects because the lake valve project was approved from that fund, Lake Advisory Board is worried about the amount left in the fund, wants to make sure that

J. Jones asked that the Cape Seal Bid consideration be put on the next agenda for discussion with a budget impact and the amount of carry over available in Streets from Ben Hart.

K. Harrington – Will greatly miss Janet, Pizza Republic had a great event, Visioning Session at Sharkey's (11/16/2022 at 5:30), thank all of the Commissioner candidates, thank you Bailey Lyons and Josh Jones for work on Splash Pad, thank you to Timken and Walmart.

E. City Attorney Comments – None

Adjournment:

J. Jones motioned to adjourn the meeting at 8:34 P.M. M. Wells seconded. All voted aye.

ADJOURNED MEETING AT 8:34 P.M.

Respectfully submitted,

Lisa Lewis
City Clerk

Subject: Re: Copy of splash pad speech

Splash Pad - City Commission Mtg

Good evening Commissioners. Thank you for the opportunity to speak tonight. As you may know, a group of volunteers have been working towards a dream of adding a Splash Pad to our community offerings. We are a small but mighty group, made up of myself, Commissioner Josh Jones, and Kelly Barr.

Studies show that splash pads enhance the local quality of life by encouraging: community engagement, inclusion and socialization for all demographics, and increased physical activity. The results of local community surveys and strategic plans have shown a need and a desire for more amenities of this sort. In addition, it has been proven that enhanced offerings of recreational amenities help boost economic development, workforce development, and tourism efforts.

With the belief that our community would benefit from a splash pad, our committee got to work raising funds and we have compiled a design and corresponding bids. As of today, I am happy to report that we have raised 75% of the bid amount, and we anticipate a 15% reduction to the bid via in-kind donations of labor and materials from our generous and supportive community. That leaves us with only 10%, or about \$20,000, left to raise and we are very confident in our ability to do so. The Splashpad is no longer just a dream for Fort Scott, but a reality - with your blessing and cooperation, we plan to break ground on the Splash Pad in the Spring of 2023, and open it for the public to enjoy in the Summer.

We would like to thank everyone that has donated up to this point, and those that will donate in the near future to take us to the finish line. Recently though, we had two very substantial donations that were above and beyond, and I wanted to recognize and share those with you tonight.

We submitted two sizable grants in the last few months, and we are so lucky that some wonderful organizations shared in our vision for this project and our love for this community. I am absolutely thrilled to announce that we have been awarded a \$75,000 grant from the Timken Foundation, and a \$40,000 grant from the Walmart Foundation.

I am joined tonight by Steve Mason, Plant manager for Timken here in Fort Scott. Locally, Timken employees 215 people, and supports a number of worthy projects in our community.

I am also joined by Ryan Irsik, Director of Walmart Public Affairs and Government Relations, and Heather Magruder, Fort Scott Store Manager. Locally, Walmart employees 199 associates, and also supports a number of great causes.

I think it is safe to say that both of these organizations play an extremely vital role in our community, and this particular project would not be possible without the generosity of their respective Foundations. When I discussed the splash pad with all of these individuals, they shared in my enthusiasm and immediately got behind the project. They have been huge allies as I've worked through the grant processes, and they are wonderful advocates for Fort Scott. I am so incredibly appreciative for their support and ask you to join me in expressing our sincere gratitude. Thank you again to The Timken Foundation and the Walmart Foundations!

Now that we've secured the majority of the funds, and to ensure we're able to stay compliant with the timelines required by these grants, we are proposing that the City moves forward in allowing the SplashPad to be located on the

West end of Skubitz Plaza. The historic downtown area was identified as a prime location for the SplashPad due to walkability, accessibility, and visibility, among other positive things. This particular spot was identified in a recent strategic plan as being a prime location for a water feature and community park of some kind, and this accomplishes both. In addition, the proposed Farmers Market Pavillion project through the T-Mobile grant is slated to go in an adjacent location to where we're proposing the Splash Pad. Farmer's Market Surveys have expressed a desire to have youth activities in close proximity to the market for vendor's children and patrons's to enjoy - This would accomplish that. Since it is in close proximity to the Fort, we have involved Carl Brenner in our design plans, and he is fully on board with this proposed location and design.

Included in your packets tonight are renderings of the design, the corresponding bids, and an account recap of our financials.

The funds shown on the financial breakdown are held with Healthy Bourbon County Action Team, who acts as our fiscal agent in holding our funds and providing an 501c3 option, and we would like to thank them for their assistance and support.

While I know there are many plans and details that still need worked out, tonight, I would like to celebrate what can happen when a group of determined citizens come together for a common goal, and what the support of wonderful individuals and organizations can do in making that goal happen. Our committee would ask that you allow us to work with Brad Matkin, and anyone else you deem necessary, to continue our efforts to bring a splash pad to Fort Scott!
Thank you!
